

ABOUT THE ORGANISATION

Matrushri K. M. Patel Sr. College of Commerce and Science is located at a 2 min. Walk from Thakurli railway station and at 8-10 mins rickshaw distance from Dombivali. Close proximity to station has convened students from Kurla to Shahapur to study here. The institution obtained permission in the year 2008 for starting degree college and is affiliated to Mumbai University. The College offers almost all facilities like library cum reading room, Multipurpose Hall, LCD projectors, Gymkhana, Canteen and Cultural activity room among others.

College emphasizes on high values, professionalism, social sensitivity and dynamic entrepreneurship. Through all this it encourages global proficiency and philosophy without diminishing the importance of national interests.

Importance has been given to impart higher education to the younger generation with innovative academic programs. Greater emphasis is given on specialization through various certification and professional add-on qualitative programs equivalent with the latest curriculum promising overall development of our students encouraging them to participate in academic and co-curricular activities by nurturing their talents to face the challenges of the new millennium. The college sensitizes the students of being conscious of their role as a constructive & responsible part of the large society through various extension activities. Overall, college leaves no area untouched, where the progress of students is concerned.
